

PROPOSED AMENDMENT WITH CORPORATE WALL:

6. The Individual Defendants and Defendant Blue Sun are prohibited from offering to sell or selling any Near-Infrared analyzer product to any party for which Blue Sun or any Individual Defendant has previously offered to provide or provided or offered to sell or sold any services or products related to any Near Infra-Red analyzer manufactured or sold by KPM or its predecessors in interest, including but not limited to analyzers manufactured or sold by Unity Scientific or Process Sensors Corporation, from July 2, 2018 onward. If any organization includes multiple individual divisions, sites, or locations that make independent buying decisions, each division, site, or location is deemed a separate party under this Paragraph. A division, site, or location makes independent buying decisions if the division, site, or location has the authority to determine which near-infrared analyzer to purchase without input from other divisions, sites, or locations within the organization. A division, site, or location also does not make independent buying decisions if the division, site, or location was referred to the defendants by a person to whom the defendants previously sold or offered to sell services or products related to any Near Infra-Red analyzer manufactured or sold by KPM or its predecessors in interest.
